Dear Amanda,

This letter is in regards to the compliance check of your Level B, Registered Child Development Home completed on 7/18/14. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)e Electrical wiring shall be maintained. **Need face plate for upper hallway and downstairs by ocean dramatic play area.**
- ☐ 110.5(1)e All accessible electrical outlets are safely capped. **Need to cover a couple- 2 in lower level and 1 in upper level**
- ☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. **Had documentation of appointment last year . Good until 4-15 but does need the documentation on the new form. Left a from with her to get transferred to the correct form by Vet.**
- ☐ 110.5(2)a A physician's signed **statement of health and immunization status** on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every three years. **Need for self and husband and for children on the new forms. Left sample forms with her.**

110.5(8) Children's Files

The children's files must be **updated annually with the emergency medical authorization completed yearly**. If the parent wants to review, edit and resign and date the intake and emergency medical authorization instead of completing a new form that is ok. I suggest you pick a date, such as the first of the year, beginning of school, your birthday or anniversary, Valentine's Day, ect. On that date I suggest you double check for a current physical form and immunizations (if there were any updates) and have the parents redo or resign the emergency medical and intake information.

☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance. **Needed for CW**

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health. **Needed for Cw**
